Checklist for User Education

Date/Place: __

Andago® User Requirements Checklist

In order to ensure safe, effective and efficient use of the Andago, the clinicians that are certified as users must have a certain level of practical knowhow before using the device on their own. This checklist serves as a support for you as a Trainer when you educate new Users on the Andago to check if they are ready to work with the Andago. This checklist serves as a help for you to assess if a clinician is ready to be a User, therefore he/she should fulfil the criteria below:
